Kawasaki Kisen Kaisha, Ltd.

"K" Line Global RORO Service Website Released

On May 11, 2018, "K" Line car carrier department launches a new website for customers using our complete car and RORO cargo transport services.

This new website provides a menu with three easily-accessible and convenient tools for customers using our transport services: cargo tracking, schedule viewing, rate requesting.

Please visit our new customer website from the URL shown below.
