**ATTENTION VALUED CUSTOMERS**  
**New Terminal at the Port of Jacksonville Florida**

January 28, 2019

Dear "K"Line Customers;

Effective immediately beginning with the Apollon Highway v.33 scheduled to sail the Port of Jacksonville on 2/14/19, the Diamond Highway v.47 scheduled to sail on 2/16/19 and the California Highway v.82 scheduled to arrive for inbound discharge on 2/22/19 "K"Line America Inc. will start using the terminal operator APS Stevedoring in Jacksonville.

Please plan to deliver/receive all cargo to the below receiving terminal address for the above vessels and going forward for future "K"Line vessels. "K"Line is already arranging to move any cargo already delivered to Ports America over to APS Stevedoring.

**Receiving Terminal Address:**

8998 Blount Island Blvd.  
Jacksonville, FL 32226

Questions concerning terminal operations including scheduling delivery appointments and crane appointments can be directed to the below two email addresses or below phone#.

**Office Address:**

APS Stevedoring, LLC  
9980 Blount Island Blvd  
Jacksonville, FL 32226

**Office Number: 904.696.0018**

[jaxops@apsstevedoring.com](mailto:jaxops@apsstevedoring.com)

There is currently no plan for "K"Line to change our current published tariff rates for Terminal Handling (THC) and Wharfage at the port of Jacksonville. Any additional questions can also be directed to "K"Line Customer Service at 866.233.6875 option 1 for Export Customer Service and option 3 for Import Customer Service.

Sincerely,

"K" Line America Management
