"K" Line response to COVID-19 in Japan

Since February 2020, "K" Line has implemented/expanded remote work programs in response to the spread of COVID-19 to ensure the safety of company employees as first priority.

In case of a stay-at-home requirement by the Local Government, followed by a state of emergency issued by the Japanese government, "K" Line will implement remote work program for all employees whose working offices/homes are located within the requested area in Japan until the requirement lifted.(*)

The "K" Line Group will implement every possible measure to ensure the health and safety of our employees as first priority, and taking appropriate action following Government guidelines.

Thank you for your understanding and support as we make our best efforts to maintain the global supply chain and provide safe and stable service during this unprecedented situation.

(*) Due to anniversary of foundation, our offices in Japan will be closed on April 8th.
