“K” Line Releases Video Update on Medium-Term Management Plan and FY2024 Results

Kawasaki Kisen Kaisha, Ltd. (“K” LINE) has released a video on its official website explaining the progress of its medium-term management plan and the results for FY2024. Initially shared on “K” Line With, the Group’s internal video communication platform, the video is now available to a broader audience.

“K” Line With details the progress of the medium-term management plan on a quarterly basis, providing explanations of the latest earnings forecasts and also focuses on initiatives which consider the three important points of the medium-term management plan, specifically, the business strategy, the functional strategy and the capital policy. By doing so, it communicates the progress in the medium-term management plan to people in the “K” LINE Group and a broad range of other stakeholders.

The first half of the video explains the FY2024 earnings results and FY2025 earnings forecasts.

The latter half of the video details how “K” LINE will be a company that is chosen by customers and partners through continuous efforts to strengthen its functional strategy and achieves a growth strategy capitalizing on low carbon and decarbonization initiatives as opportunities.

“K” LINE has posted the video on its official website in addition to “K” Line With to make outside stakeholders more aware of the Company’s activities. “K” LINE also aims to deepen understanding of the medium-term management plan among business sites on land and sea within the Group, globally promote internal communication and information sharing, encourage a sense of solidarity as a source of the Group’s strength, and reinforce the foundation of its business operations.
